Half the weight. Twice the life.

"I'm half the person I used to be, and I feel 100 times better."

At 455 pounds, Allison tried fad diets, carb counting, and exercise to lose weight with no success. Then she discovered bariatric surgery at Horizon Health, losing more than half her body weight (and counting). Her new life includes amusement parks, a 5K race, and kayaking with no pain and renewed energy.

"I started at a larger facility, and they left me feeling a little bit lost. Horizon Health may be a smaller facility, but they are very diligent, compassionate, and understanding with their bariatric program."

THRU THE YEARS WITH PRIDE

Marshall has something for everyone from local downtown shopping to dinners on the lake! We offer many shopping and dining opportunities, parks, hiking trails, camping, band concerts, bowling, a golf course and beautiful community pool. Gather around the Courthouse Square in the summer to enjoy Marshall's Farmers Markets! We have a Marshall Autumn Fall Festival with great food, music, vendors, a car show, and a parade that attracts locals and many visitors. During Halloween we have a large trunk or treat event and frolic contest. Plus, come experience a hometown Christmas in Marshall with Hometown Holly Days where we will have shopping, food trucks, Santa and more! You will want to see our popular murals, the world's largest gavel, and lion statues located around town that represent our school mascot.

Marshall is a great place to live or visit!
